www.horshambusiness.com.au is perfect for you!

The Horsham Times Newspaper is locally operated and proudly independent. We provide comprehensive coverage of news and events across our region, and are passionate advocates for the local story of each town in our region, and cover the issues affecting us all. In addition we also play an important role in promoting our great local businesses and organisations.

The Horsham Directory will further help connect our local residents with our great local businesses.

The responsive website features a dedicated page for each of our businesses; complete with pictures, video, logo, phone (with Click to Call), fax, street address, email & website addresses, links to social media, opening hours, Google map (with Directions from your Location) and space for a 200 word explanation of each business offering.

We support our listed businesses with Google AdWords, actively advertising our local businesses to customers searching on Google - right when they're looking for that particular service.
